

# Making bread in nursery

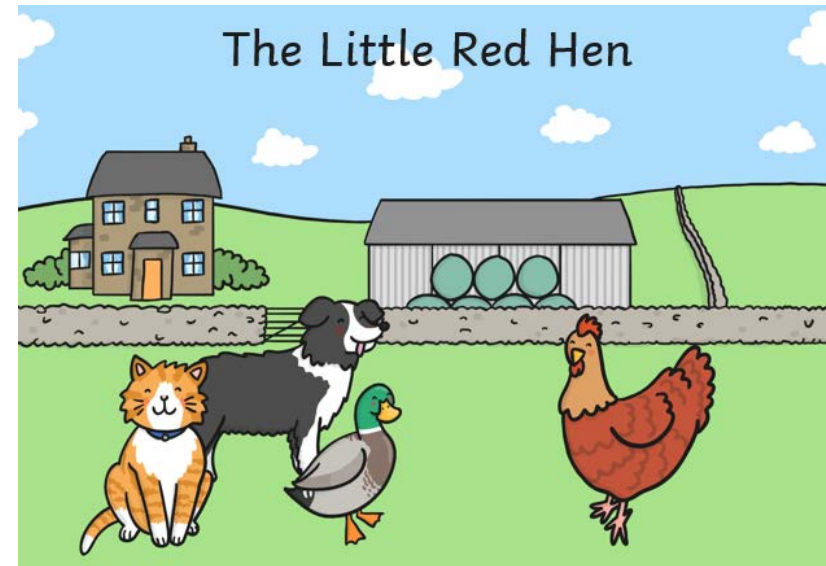

This week in nursery we have been making bread!

We all listened to the story 'The Little Red Hen' and spoke about what the story was about.

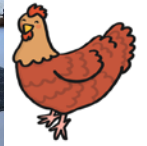

We discussed how you make bread and who's job it is to make our bread.

We then decided to make our own bread. We all had a go at kneading the dough and rolling it up.

We washed our hands before we kneaded the dough and spoke  
about why it is important to keep them clean!

We discussed what the dough felt like. The children thought it felt 'squishy' and 'funny'.

We put it in the bread maker to cook. It smelt delicious.

We then all sat down and tasted the bread we had made. It was very nice! All the children had a great time.
