

Year 1 turned into scientists
for the afternoon investigating
a range of materials in a range
of ways.

They had a very busy afternoon with lots of different tasks to carry out.

Sorting the materials
for the bin men.

Humpty Dumpty
experiment.

Create a materials
hand.

Stretch it, bend it,
squash it experiment.

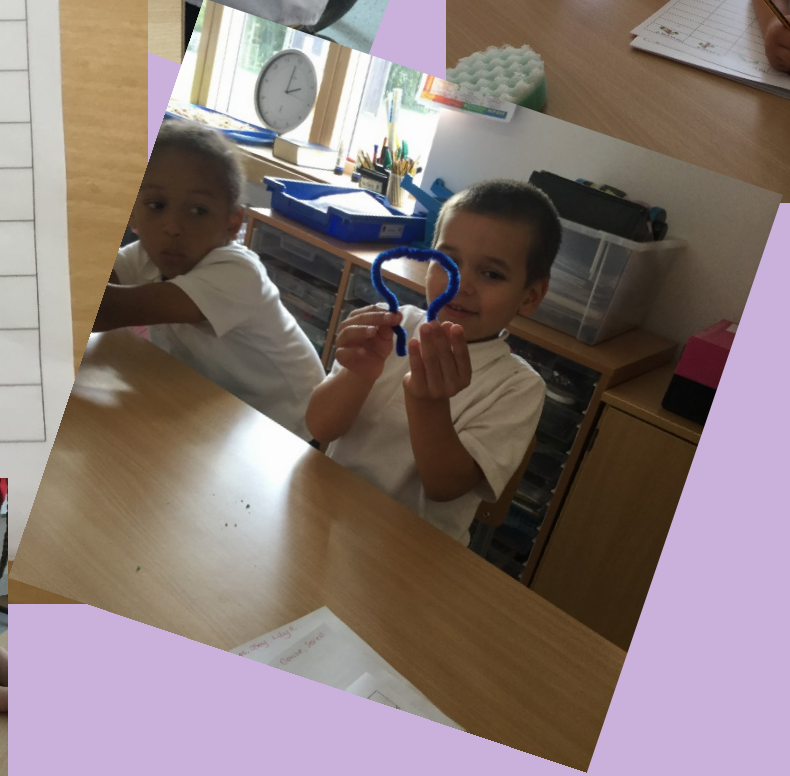

Waterproof or not
waterproof?

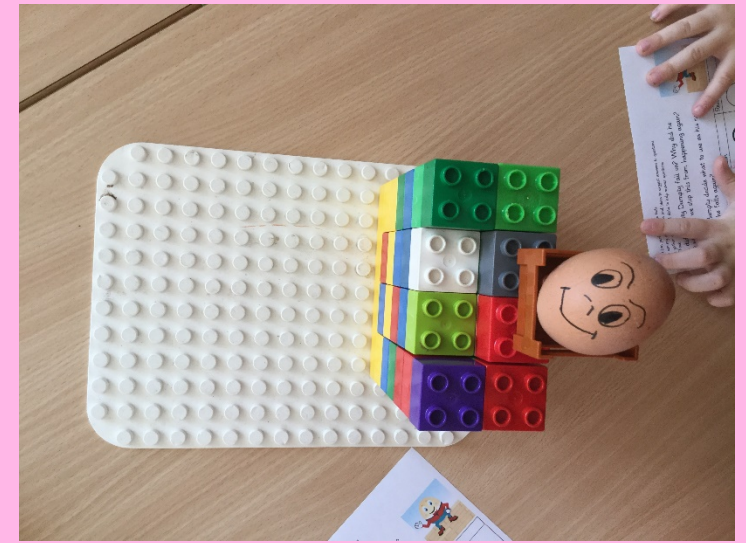

Object	Can you squash it?	Can you bend it?	Can you twist it?	Can you stretch it?

Lollipop stick 	✗	✗	✗	✗

*We had to help Humpty Dumpty.
He wanted some new carpet for his house but needed us
to investigate which material would be best so that he
did not break if he fell.*

*Once we had tested some materials
inside, we took him outside.*
