

THINGS TO DO AT HOME

Week 6 Commencing 27/04/20

Reading- Can you use the sounds below to make a word?

Writing- Our story this week is 'Princess and the pea.' You can watch the story here <https://www.youtube.com/watch?v=wwBBE9A67v0>

Can you think of your own version of the story? Write a sentence about your story. I would call my version 'Princess and the carrot.'

Or draw a picture of the princess and the pea. Have a go at labelling the 'pea.'

Maths- Walk around your house or around your local area. What shapes can you see? Draw them on a piece of paper and label how many sides the shape has. 

Understanding the world- On a tablet or phone, research how different vegetables grow. Talk about this with an adult. Or watch this video about how carrots grow!

https://www.youtube.com/watch?v=G6Zk_B8_UbI

Expressive Arts and Design- Go onto Purple Mash and complete the task on the '2Explore' app.

Physical Development- Join in with Joe Wicks' live youtube videos this week!
