

Year 5 Suggested Home Learning Tasks

Week beginning 20.04.2020

This week marks the beginning of the Summer Term, and I just wanted to say a massive thank you to all of you doing work at home, completing the tasks set, spending time with your families and listening to The Explorer that I read to you every week. Keep being amazing and strong!

Maths

Practise times tables on TT Rockstars. Can you improve your score or speed using the sound check tab?

I am also aware that we haven't practised arithmetic for a while, so I have put an **arithmetic practise paper** in the Maths One Drive folder for you to try. The answers are at the back, so you can check these when you are done.

Reading

This week, I have uploaded the next two chapters of the story: Chapter 10: Abacaxi and Chapter 11: The Monkeys and the Bees.

Once you have listened to the story (or after), try to **create a map** of the camp and surrounding areas – similar to the map they find. I have set a task on Purple Mash for you to create the map, but you can hand draw it if you wish.

Writing

Another brilliant resource that has been made available, is from the National Oak Academy. There are online lessons available on here too, from Literacy to other subjects.

Please look at the 'Setting Description: Identifying the features of a text' lesson, which combines spelling, punctuation, grammar and reading in one mini-lesson. Give the activity a go:

<https://www.thenational.academy/year-5/english/setting-description-identifying-the-features-of-a-text-year-5-wk1-3/#>

Topic

This week for our Topic focus, we were going to be having a look at settlements, and the different types of settlements between different places.

BBC Bitesize have started to produce online lessons, and I have been looking at this amazing lesson that shows different settlements between Tokyo, Japan and London, England.

Visit the site. Answer the questions towards the bottom of the page:
<https://www.bbc.co.uk/bitesize/topics/zx72pv4/articles/zrbvjhv>

Choose a Subject

There are a lot of resources on here to choose from, take a look for yourself: <https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

I want to know what you find interesting, so explore the link above and tell me about it on your Purple Mash task: My Subject.

Explain in three paragraphs:

1. What you have learned.
2. Why you chose that subject.
3. What you liked about the way they showed it to you.
