

# LIBRARY CREATIVE WRITING CAMP

## Your chance to be a published writer!

Join in for a week of creative writing where you decide the winning chapter each day as the story unfolds.

### IT'S AS SIMPLE AS:

Read the starter/winning  
chapter each day

Write what you think  
will happen next

Vote for your favourite  
piece of writing

The winner becomes  
the published chapter

Writing begins on Monday 18th May at 9am and will run each day for that week. That means there are 5 chances to be the winning writer!

Every child that takes part will receive a copy of the completed book. This will be personalised and include their own ending of the story.

### IT IS FREE TO TAKE PART!
