

# Year 6 Suggested Home Learning Tasks

Week 6

Week beginning  
27.4.2020

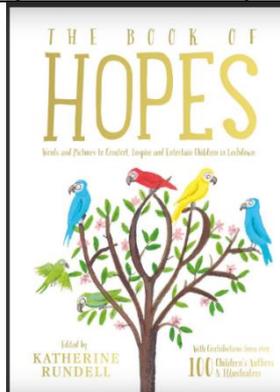

## Maths

Can you put the numbers 1 to 8 in each of the squares so that each side adds up to the middle number?

Complete the puzzle. Remember to persevere and don't give up after one try! There is more than one answer for each square. Challenge 3 – can you find all possibilities?

## Reading

<https://literacytrust.org.uk/family-zone/9-12/book-hopes/>

The Literacy Trust has released a children's book of short stories written by famous authors, including Michael Morpurgo! Have a look, dip in and read a story or two. There are also poems, sections about animals but all are about HOPE. Read a few or all! Then, complete a reading journal activity on one.

## Writing

Think, what does hope look like to you? Is it a feeling you get, a dream for the future or a colour? Write what hope means to you. It could be a sentence, a poem or a list.

## Topic

After reading one of the stories from The Book of Hopes, illustrate it. You can choose any method or technique e.g. paint, cartoon, abstract, collage, black and white pencil drawing.

## Science

Spring really has sprung and the weather has been fantastic! Your task is to create a 'Spring Spotter List' of all the living things you can see or hear. Go into your garden or just look through the window. (Remember we are still in lockdown!). Try to name the living thing e.g. instead of 'bird' write sparrow. Instead of 'flower' write daffodil. Can you find its scientific name too?

	<p>Log onto Purple Mash and complete any activities set by your teachers.</p> <p><a href="https://www.purplemash.com/sch/stowlawn">https://www.purplemash.com/sch/stowlawn</a></p> <p>Activity 1 – Box the verb (Under Grammar, soaring eagles SPaG)</p> <p>Activity 2 – Converting between 12hr and 24hr times (Maths)</p>
	<p>Log onto TTRS and improve your multiplication skills.</p> <p><a href="https://www.ttrockstars.com">https://www.ttrockstars.com</a></p>
	<p>If you want to find safe online information suitable for children, you could try using Kiddle. Kiddle prioritises content that is child friendly and filters out most content aimed at adults and teens.</p>

## Remember to keep safe online.

If you see something that makes you feel worried or upset, tell your parents or carers.
