

THINGS TO DO AT HOME

Reading- Listen to the story 'Boris starts school'
<https://www.youtube.com/watch?v=yQkkmqGbaw8>

Writing- Draw a picture of your favourite lockdown memory! Please keep these safe for September!

Maths- Write down lots of different actions on bits of paper e.g. stamp, clap, pat your head, touch your toes, jump and put them in a bowl. Then write down numbers 1-10 on bits of paper and put in a separate bowl. Pick an action and pick a number. Then carry put that action as many times as the number you picked.

Understanding the world – Think about all of the things you want your new teacher to know about you and make a poster! You could draw, paint or stick things on!

Expressive Arts and Design- Paint a sunny day picture.

Physical Development- Practise throwing and catching. Can you throw the ball, clap once then catch it? Try adding claps each time!

Well done for all of your hard work! I am VERY proud of you! Rest your brains over the summer ready for September.
